TO BE PRESSED
AGAINST ARBUCKLE**

Grand Jury Indicts Motion Picture Comedian for Manslaughter.

TESTIMONY IS CHANGED

By Associated Press.
SAN FRANCISCO, Sept. 14—Two charges today had been placed against Roscoe (Fatty) Arbuckle, motion picture star, in connection with the death of Miss Virginia Rappe.
The San Francisco county grand

The grand jury indictment does not come within the province of the justice court but goes direct to the superior court, where it is returnable next Thursday. A warrant for the comedian's arrest on a charge of manslaughter charge is expected to be issued Friday, the district attorney said.

The grand jury indictment came after two sessions, each lasting many

At last night's session Zia Provost and Grace Halston, who attended Miss Rappe, were closeted with the jury. Zia Provost and Grace Halston are guests at the party where Miss Rappe is believed to have suffered injuries from which she died.

The grand jury's voting, an indictment charging a lesser offense than murder, will be a farjoke eligible for bail once the district attorney said. "He will not be able to obtain temporary liberty on bail until the charge of murder is disposed of," Zia Provost said.

It was said that the charge is withdrawn he will be able to obtain freedom pending hearing on the charge.

Zia Provost said the grand jury statement to District Attorney Bader Sunday which brought charges against the witnesses had been intended to "blacken" her testimony corroborated Miss Provost's statement, it was said. Miss Halston, of being present at the post-mortem on the body.

...us Coming Election and Urge All to Register.

The colored women voters of Conville assembled in a non-partisan meeting in the Union Baptist church on Tuesday evening to discuss the part they should play in the coming elections. The address was made by Mrs. Anna Burt, the president, also Mrs. Maggie Johnson. Rev. A. J. Allen and A. J. Payne.

The only official action taken was to stress the importance of every voter voting on Saturday, the 21st, the next Saturday. The president, at the close of women was appointed in ward to canvass among the colored women and urge them to enroll.

A. J. Payne, A. J. Allen and R. H. Smith were appointed an advisory committee to the women.

The candidate was discussed.

ENGAGEMENT OF MISS STRUBLE ANNOUNCED

The engagement of Miss Struble to Clarence R. McCormick, son of Mr. and Mrs. Robert McCormick, of Pittsburgh, was announced at a six o'clock dinner given last evening by Mrs. John E. Struble at her home in Patterson avenue. The guests numbered eight. The dinner room was beautifully decorated in pink and white. In the center of the table was a cut glass vase filled with cut flowers of the prevailing colors. From the vase narrow pink ribbons stretched across to the "place cards" which were miniature keyholes bearing the names of the guests. Underneath were cards bearing the names of the bride and bridegroom-elect. The favors were small baskets of almonds. The guests included Mrs. Richard Driver of Meigsdale and Miss Ada Patton of Warren, O. school friends at the Dan-Michael Institute at Warren.

The wedding will be an event of November 23. Miss Struble has been active in musical circles. Her father, John E. Struble, is mine inspector for the H. C. Frick Coke company. Mr. McCormick was graduated last spring from the Carnegie Institute of Technology and is employed as a mine inspector for the Frick Coal company.

Auxiliary Representative Chosen.
At the regular auxiliary meeting of the Woman's Auxiliary Unit of Milton L. Bishop Post No. 301, the American Legion, held in the club rooms last evening, the principal business transacted was the election of one delegate and two alternates to the annual convention of the legion, to be held in Pittsburgh, September 22 and 23. Mrs. A. M. Morton, president of the unit, was elected delegate and Mrs. D. K. Dillworth, vice-president, and Mrs. Charles J. Hood, chairman of the executive committee, were elected alternates. The convention, which will be held in conjunction with the annual convention of the Pennsylvania department of the legion, will be the first gathering of representatives of the auxiliary units. This body will elect state delegates to the national convention of the legion to be held in Kansas City in October.

Standard Bearers Meet.
A well attended and interesting meeting of the Standard Bearers of the Methodist Episcopal church was held at the home of Elizabeth A. Williams, York avenue, last evening. In charge of the business session, which was in charge of Miss Catherine Slaughter, second vice president of the organization, the remainder of the evening was spent in singing and music. Refreshments were served. The next meeting will be held at the home of Mrs. Mary Harris Travis, South Connelville, on October 27.

Shiloh Lodge Meeting.
Shiloh Lodge No. 106, Ladies' Auxiliary, of the B. O. E. T., will meet Thursday in Odd Fellows hall.

W. P. Church News.
The Women's Home and Foreign Missionary society of the Methodist Episcopal church will meet Thursday at 8 o'clock in the church. The O. W. M. S. will meet Friday evening at the home of Mrs. Frank Newell, Fairview avenue.

High Class to Meet.
The Junior Organized Bible class of the First Presbyterian church will meet Thursday evening, September 15, in the church. The committee in charge is composed of Mrs. J. M. Dillworth, Mrs. W. R. Brown, Miss Sadie Rae Hawk, Miss Mabel Schmitt and Miss Elizabeth Patterson.

Forty at Corn-Roast.
The home of Mrs. Mary E. Ebert at Poplar Grove was the scene of a very delightful corn roast held annually by the Daughters of the Trinity Lutheran church last night. There were about 40 persons present. Following the corn roast a business meeting was held, and plans were laid for holding a bazaar at Christmas time.

Class Initiation.
The Eta Eta Lodge of the Ladies' Auxiliary to the B. O. E. T. will initiate a class at the semi-monthly meeting tomorrow afternoon. The degree team will appear in white.

Hold Annual Picnic.
The J. O. C. class of the Methodist Episcopal church held its annual picnic last evening at Waitsie Park.

Friendship Class Entertained.
The Friendship class of the United Brethren church was entertained at the home of Mrs. Grace Coughenour, Acton street. Fifteen were present. Refreshments were served after the business session. The next meeting will be at the home of Mrs. Cameron.

Surprise Birthday Party.
A very enjoyable birthday party was held last evening in honor of Miss Anna Mulec at her home in Seventh street, West Side. Games and music were the amusement of the evening. The most interesting feature was a "novelty dance" by Miss Helen Zimma and Miss Helen Zimma.

L. C. B. A. to Meet.
The L. C. B. A. will hold its regular meeting this evening in the luncheonette Conception school hall.

W. C. T. U. Convention Thursday.
The 28th annual convention of the Fayette county W. C. T. U. will convene in the Central Presbyterian church, Brookville, Thursday and Friday, September 22 and 23. The first session will begin at 10 o'clock Thursday morning. The county officers, branch secretaries, local presidents and county superintendents are members of the convention by virtue of their offices. One delegate will be elected for each 25 paid up members, but any union having less than 25 members will be entitled to one delegate in addition to the president. The officers of each union in the county are requested to see that their full quota is present and that their delegates are prepared to remain until the close of the convention.

A program of addresses, discussions, conferences and good music will be given for the profit and pleasure of those attending. Clyde M. Kelley, member of Congress, will address a mass meeting the evening of the 22nd. The sessions of the convention are open to all and a cordial invitation is extended to men and women of Brookville and the county to attend the mass meeting and the other sessions of the convention. Meals for delegates will be prepared by the Brookville comrades.

Winners in Stock Judging at Annual Fair at Dawson

At the opening of the Dawson fair yesterday one of the main features of the day was the annual stock judging event. J. B. Henderson of Hickory was the judge this year and J. W. WHAT A TONIC DOES FOR YOU

AND WHY YOU NEED IT IN SO MANY CASES. IT IS A TONIC FOR THE RUN DOWN, NERVOUS OR HAVE HAD TO ENDURE GREAT STRAIN OR WORK OF ANY KIND.

A tonic is something which puts tone, energy, strength and endurance into you. It gives a push to your heart, making it pump the blood over your body more vigorously; it makes your lungs expand more fully and thereby take up more strength-giving oxygen from the air you breathe; it makes your kidneys work better and carry off the poison which builds up and accumulates in the body; it takes your digestive apparatus to work better and give you blood the material for new life and not waste the material you eat. It makes your brain act more vigorously and enables you to think more accurately and for longer periods without fatigue, thus bringing you greater success in whatever business or undertaking you are engaged.

FINE DISPLAYS

MARK OPENING OF DAWSON FAIR

Continued from Page One.

The Bryan church has a corner of the building reserved for an exhibit. The goods in its cases will be sold during the fair.

In one of the embroidery cases is an old black shawl on exhibition. A card on it reads: "Over 100 years old." There is also a "dresser cover" over 50 years old.

Lawrence Hays has some antique dabbies in one of the show cases. H. P. Snyder is also a contributor of flowers. A flower department will be included next year.

The Red Cross has an attractive booth in one corner of the big hall. Work of the Junior Red Cross is displayed there. The winners of the organization are attractively arranged and the work is displayed to its best advantage.

Those who do not go to the park in their own automobiles are being "held up" by taxi drivers for the exorbitant price of 50 cents to ride from the street car station to the park. There are dozens of "taxicabs," many being in service for the fair days only.

False Claims.

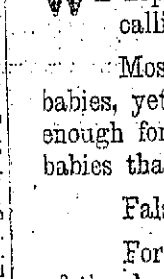

WE hope there is no Mother who thinks she can treat her sick baby without calling in a Physician, or with remedies that she uses for herself.

Most Mothers know that Baby requires remedies especially prepared for babies, yet there are some who think that what is good enough for them is good enough for Baby, and it is to these Mothers we appeal to give nothing to their babies that is not specially prepared for babies or recommended by their Physician.

False claims may kill, but false claims can never restore your child.

For over thirty years Fletcher's Castoria has been aiding in the reduction of the deaths among infants, as Mothers have become more and more acquainted with it. Always keep it in the house.

Children Cry For

Mothers Must Use Care.

Why do we so often call your attention to imitations of Fletcher's Castoria? Because it is a baby's medicine and imitations are always dangerous, particularly imitations of a remedy for infants.

Your druggist may not keep an imitation but they are to be found on drug-store shelves. Reliable druggists think only of the welfare of their customers. The other kind only of the greater profit to be made on imitations.

Your own judgment tells you that Fletcher's Castoria having for over thirty years at great expense held up its reputation, must jealously guard it. Then, it follows that this company must use the very best of material. Most employ experts in the selection of the herbs. Must retain skilled chemists in its manufacture.

Your same good judgment must tell you that these irresponsible imitations are trading on your credulity and the reputation built up by Mr. Fletcher, during all these years, for the Castoria.

LESS UNEMPLOYED

More Persons Idle in 1914 Than Now, Labor Secretary Says.

WASHINGTON, Sept. 14.—Phone who are disturbed over the 5,735,000 unemployed of today overlook that in 1914 there were 7,000,000 persons out of work, a larger percentage of whom were men and actual bread winners than in the present unemployment. Secretary Davis said today in a statement.

Declaring that the country had just passed through a period when every effort was made to induce men and women who had not worked before to "work and save," Mr. Davis said, "The present unemployment figures include great numbers of persons upon whose earnings no one actually is dependent."

Commander of West Virginia Division Reports to National Officers.

WHEELING, Sept. 14.—Commander J. Byron Nickerson of the West Virginia division of the American Legion today submitted to the national officers a report on the activities of the legionnaires who took up arms against the men who attempted to pass through Logan county during the recent disorders.

Commander Nickerson in his report, which was made public here, declared that the legionnaires went "to the aid of law and order" and therefore were justified. He expressed the opinion that the cause of the outbreak was the "mild gang system" which, he added, "is a disgrace to the state and justifies most anything that can be thought of to bring it to an end."

What! No More Flies?

Yes. Thanks to this wonderful new discovery

The sprays of this remarkable discovery will kill every fly in kitchen, pantry or dining room.

In five minutes you merely sweep them up and put them in the fire.

Prevent, without a day's delay, the unclean fly from tracking his dirty, disease-carrying feet upon the food you serve your family.

Instead of swatting one fly at a time or running the risk of poisonous mixtures your harmless Flyosan kills flies by the roomful.

Flyosan is such a new—such a won-

derful discovery that the following questions may naturally occur to you:

Will it harm people?

No. Gasses produced from pure vegetable oil used in Flyosan bring death to insects but have absolutely no effect on human beings, animals, birds or fowl.

Is Flyosan easy to use?

Yes—in any ordinary inexpensive garden sprayer. It is as easy as waving a feather duster. It leaves no muss to clean up after using.

Does any odor linger in the room?

No. The pleasant aromatic odor of Flyosan disappears after a room has been thoroughly aired for fifteen or twenty minutes.

Does Flyosan kill insects quickly?

Yes—almost immediately. Its effect on flies is little short of miraculous.

Will Flyosan kill other insects besides flies?

Yes. This is one of the remarkable properties of Flyosan. It kills mosquitoes, bedbugs, fleas, ants, roaches, lice, spiders, wasps and moths alike. A few sprays of Flyosan brings them out of their hiding places. Another spray or two and they are dead.

Flyosan

INSECT EXTERMINATOR

KILLS FLIES BY THE ROOMFUL

MORE GOOD NEWS

Flyosan kills all kinds of insects—not one, but all kinds. Look at the following list:

Mosquitoes

To kill every one in your bedroom, spray Flyosan before retiring. Flyosan is harmless to you, but death to mosquitoes.

Bed Bugs

every decent woman's "horror of horrors." One spray of Flyosan brings them from their hiding places. The second spray kills them. No odor left behind.

Fleas

—carry the plague to human beings and make miserable the lives of cattle, dogs and poultry. A good spraying of Flyosan rids animals of these tormentors.

Ants

Flyosan sprayed around the kitchen, pantry and icebox will destroy all ants present and keep others out of the house.

Cockroaches

One spray of Flyosan brings these filthy bugs out into the open. Another finishes them.

Lice

—feed on warm-blooded animals including man, cattle and poultry, and carry disease. A spraying of Flyosan kills these vermin and prevents hidden nits from hatching.

Moths

Flyosan does away with the need for expensive cedar chests and "smelly" moth balls. Spray Flyosan in a closet full of clothes and shut the door quickly. Soon the moths will be dead.

Flyosan is used by

U. S. Army, Navy and Marine Corps
U. S. Public Health Service
26 leading steamship companies
Boards of health in several cities
Many hospitals, restaurants and hotels the country over
Hundreds of large institutions.

If Flyosan should, in any way, fail to live up to your highest expectations, we will refund the purchase price.

Sold by Druggets, House-furnishing departments, Seed and Hardware Stores.

Write for the Flyosan Booklet. It tells how to rid your home of every kind of insect pest.

Frick Coke Company Herd Cattle Passes Last Tuberculin Test

Much has been said and done recently concerning the dreaded disease, sometimes known as the "white plague," but more commonly known as tuberculosis.

The few herd of registered Holstein-Friesian cattle owned by the H. C. Frick Coke company on the Mareland farm near Connelville, Pa., has just passed the last test to be admitted by state authority as a fully accredited herd.

This means that the animals in this herd have passed their third test for tuberculosis at least six months apart without any of the animals showing symptoms of tuberculosis. As there are very few such herds in the state any one desiring to purchase cattle to head their herds, or cows for foundation stock should be very careful where they buy.

While the H. C. Frick Coke company is primarily interested in the mining of coal and the production of coke it is putting forth this effort to bring back its large acreage to surface by the production of fine crops and such an excellent grade of live stock.

GUARANTEE POSTED, BIG BATTLE TOMORROW NIGHT ON WEST SIDE IS ASSURED

Leon Ehrman, manager of the Payette Athletic club, which is staging the big bout between Young Pinchot, of Charleroi and Eddie Winkler, of Erie, tomorrow night at the Payette hall, in the star 10-round bout, of an all-star fight show, has received an acknowledgment from Ed Paluso, the big sporting man of Charleroi, that he has received the guaranteed check for \$250 which is the guarantee that Pinchot demanded to show in this city.

Pinchot being a high class ring performer and gets paid accordingly, stipulated that when Matchmaker Barry signed him he would want the above named guarantee posted. In Charleroi one week before the bout and Pinchot is due to get 25 per cent of the gross receipts. With word received from Pinchot's "bookholder" that the check has been received, Paluso also stated that the clever Pinchot will show to advantage here Thursday night, as he has been in active training to make a favorable impression in his first encounter in this city.

Eddie Winkler, the other end of the star pair, is plugging away training with his brother, Chalky, Eddie is down to the required poundage and will evidently put up his usual hurricane battle. The veteran of many years never boasts, what he intends to do to the other fellow, but the managers of the former West Side boxer know that when Winkler is in the ring they are assured of some fast brand of action.

NO LINEUP YET SELECTED FOR OPENING GAME

All speculation as to who will start the football game here Saturday, which marks the opening of the 1932 season, is useless. Though there are a few positions which will be easily filled, the majority of the lineup is not announced just before the game starts.

It is surprising that some of the new material is being put into the game and it means some veterans will have to make a 20-minute showing.

Coch Wink is pleased with his line material and he believes he may be able to perfect a defense and offense that will cope with any team on the schedule. He has the backfield men working out new plays and running through signal practice.

There is little difference between what might be called varsity and second team when they are lined up, especially in the backfield. The second line is somewhat weaker, however, but Saturday's game will do more to acquaint the coach with the needs of his team than anything else.

Student Manager Herwick is working hard when teams are going to quit playing baseball on Fayette field. He is anxious to get in his sideline posts and goal posts for the Saturday clash.

Norah, the opening attraction with high school, has always been able to give the cokers a run in basketball. The football game is being looked to with interest.

The team is now practicing in new shoes. The few trousers have arrived and will be distributed as needed and the jerseys are expected in time for the opening game.

Student Manager Herwick can't understand how at all the high school students who go to the park to watch practice, can stand around without leading a hand at digging post holes.

The Turnbules are right down to business now. Coach Jones accepted the position only after promises of full obedience by the players and he is now giving his full attention to getting a winning aggregation on the field.

It is remarkable how some of the candidates for the high school team have grown during the past summer. "Mickey" McCormick is inches bigger and pounds heavier. "Ab" Solson, who was seriously handicapped in his quarterback position last season because of his light weight, is heavier and will give a better account of himself. Whiskey is some pounds heavier and Noid is quite a big boy now. But, he is another who has become a young hunk—and so on.

Greensburg, Blah candidates are "kicking" because they don't have some new paraphernalia this year. The players say there is not enough to hold a practice drill.

The football players would like to have some of the good weather which prevails in the mornings, advanced to about 4:30 o'clock in the afternoon.

Big Money in Old Clothes—Don't Throw Them Away

It will not be long until the weather will be cool enough for fall suits and overcoats. Get them out of the closet now and let us make the necessary repairs, steam them or clean them and press them up like new.

A wise man never throws away a suit of clothes until it is entirely valueless and that is when the suit has seen its last day's wear. There's big money in old clothes if you stop to think about it.

Our system of repairing, cleaning and pressing will make any suit of clothes last just double the ordinary time and it will look just as nifty as it did the day you first put it on. We have a method of patching or fixing a tear or snag that it is impossible to notice the damaged part. The fact that the best work of this kind in the city is turned out of our establishment is evidence of what we do for our customers. We cannot be equalled in workmanship nor in price.

THE PARAMOUNT

A classic of colloquial American literature has been given life on the screen in "Desperate Youth," which will be the principal attraction at the Paramount Theatre today and Thursday, with Gladys Walton in the starring role. Two old prospectors are seen as the story opens, living and having considerable life in a mountain shack. With them is Rosemary Mer-

ridow, daughter of one of them. Her father is killed in a gun battle and she is sent to her aunt in Alabama, an ultra-feminist old dame with an exaggerated sense of her own aristocracy and a desire to marry her own daughter off to the richest young man in town. Rosemary interferes with this scheme. Dr. Tom Dowling, the prospective son-in-law, becomes infatuated with her, thereby complicating the plot.

No Other Car Like the Chandler At Anything Like the Price

The Chandler Six has always been distinguished by its high quality and its low price. Today it is back to the 1913 price and it is a larger, finer car than ever before. Now as in 1913 both the car and the price defy comparison.

Eight years of constant refinement on the original chassis, backed by the investment of millions of dollars, have put the Chandler in the unassailable position it holds today. It is a most highly perfected automobile with a marvelous and world-famous motor and its price is far below anything that could even be compared with it.

Over 100,000 owners know the excellence of Chandler service. They know its never-failing, economical performance, its sturdy strength, its roominess and exceptional riding comfort even on the roughest roads.

Among the seven beautiful types of bodies mounted on the standard Chandler chassis you will find one that completely meets your requirements. Free from the freakish or extreme, they offer all the elements of style and quality found in the highest priced cars. They are beautiful in design and finish and luxurious in upholstery and appointment.

"THE ONE-MAN TRAIL"—The word "trail" in drama has a charm for Americans. It brings to mind the days when men hewed their way westward to the gold fields, and it recalls

the big cut-throat ranges and the hardy cowboys that rode them in pursuit of a calling that in days gone by fired every American youth with a desire to go West and ride around the big open country in the cattle round-ups. Adventure and romance are drawn all along these Western trails. The cowboy motion picture of today brings many interesting reminiscences of the old West, when a man sometimes rode 50 miles to reach his

PUBLIC IS URGED TO HEED NATURE'S WARNING

Thousands of People Suffer Permanent Loss of Health Because of Neglect—Nature Has Set the Danger Signals for Us and We Cannot Afford to Pass Unnoticed the Warning That She Gives Us.

Good digestion means good health; bad digestion means bad health.

A sound stomach is worth a hundred times its weight in gold. Probably eighty per cent of all diseases originate in the digestive organs. Dyspepsia, or what is more commonly known as indigestion, is not only one of the most prevalent, but it is one of the most difficult to treat of all present day diseases, and has for years baffled the skill of leading specialists everywhere.

Stomach trouble is almost always followed by a complication of diseases. One of the first being an overworked liver, with all the symptoms of biliousness, followed in turn with headache, coated tongue, nausea, dizziness, pain in the back, palpitation of the heart and other distressing symptoms. Sooner or later the kidneys will become involved and that is just why these danger signals should be heeded before there is too much destruction; the same theory should apply to stomach trouble.

Gas in the stomach means fermentation instead of digestion; decay instead of nutrition for permeation produces poisons, which are absorbed by the blood, and which frequently bring on the condition known as auto-intoxication or self-poisoning. This is also why we develop acidosis, which is one of the most dangerous complications such as rheumatism, hardening of the arteries, high blood pressure and other conditions, which may mean permanent loss of health. Acidosis is one of the main forerunners of Bright's disease and diabetes, hence it is evident that if we have stomach trouble, however slight, we are foolish indeed if we do not take prompt steps to correct it.

If we are not fit as a fiddle in the morning; if we don't feel better than when we went to bed; if our breath is offensive; and we have that bad taste in the mouth; nature has set the danger signals for us and we cannot afford to neglect the warning that she gives us. That is just why the demand for Taniae, the great stomach, systematic and reconstructive tonic has broken all world's records. The American people have learned that it

probably provides the surest, safest, and quickest remedy for all such troubles, and millions upon millions have taken it with the most astonishing and gratifying results.

Tens of thousands of men and women of all ages and in all walks of life afflicted with stomach, liver and kidney disorders, some of them of long standing, as well as thousands of weak, thin, nervous men and women apparently on the verge of collapse have testified publicly that they have been fully restored to their normal health, strength and weight by its use. Still others who seemed fairly well, yet who suffered with indigestion, headache, shortness of breath, dizziness, sour, gassy stomach, coated tongue, foulness of breath, constipation, bad complexion, loss of appetite, sleeplessness at night and torridly debilitated, depressed feelings, state that they have been entirely relieved of these distressing symptoms and restored to health and happiness by Taniae.

Note: Taniae Vegetable Pills are an essential and vitally important part of the Taniae treatment wherever constipation is present.

You cannot hope to get satisfactory results from the Taniae treatment without first establishing a free and regular movement of the bowels. It stands to reason that no treatment can do the greatest amount of good when you are suffering from constipation, or biliousness, or when your system is clogged up with waste products and poisons.

Taniae and Taniae Vegetable Pills are sold in Connelville by the Connelville Drug Co., and by leading druggists everywhere.—Advertisement.

News of Dunbar

Special to The Courier.

DUNBAR, Sept. 13.—The improvement in the interior of the Methodist Episcopal church, which was completed and so satisfactory to the congregation that a rising vote of thanks was given by the congregation to the committee having the work in charge. The building was cleaned and given two coats of varnish, the walls were handsomely frescoed and the pews were cleaned and varnished till now they look like new, and the entire cost was but \$150. The Sunday school room was included in the work. The congregation went farther and authorized the committee to have the exterior of the house painted and the windows put in first-class condition. This work is to cost but \$50. J. D. Ellenberger is chairman of the committee.

One of Dunbar's crying needs is a stopping place for persons who visit the town and desire to sojourn, among us for definite periods. Every available room is taken and even the teachers who come here from a distance cannot get accommodations in the town but are obliged to travel on the trolley cars to Connelville or other places, to secure rooms and board. Some enterprising citizen ought to take advantage of the situation and provide for this necessity and reap the rewards for his wisdom. With rooms high and rooms in demand there could be no risk in the investment.

Considerable stir is manifesting itself in local political circles in Dunbar township relative to the selection of candidates at the approaching primary, especially in the Democratic party. The acrimony is openly made and with apparently good grounds, that a coteries of would-be political bosses have fixed a "slate" and propose to give over certain candidates, respectively of the various of the voters. The claim is made that the closer proximity of the voters of district No. 3 to the polls enables the vote to be gotten out to much better advantage

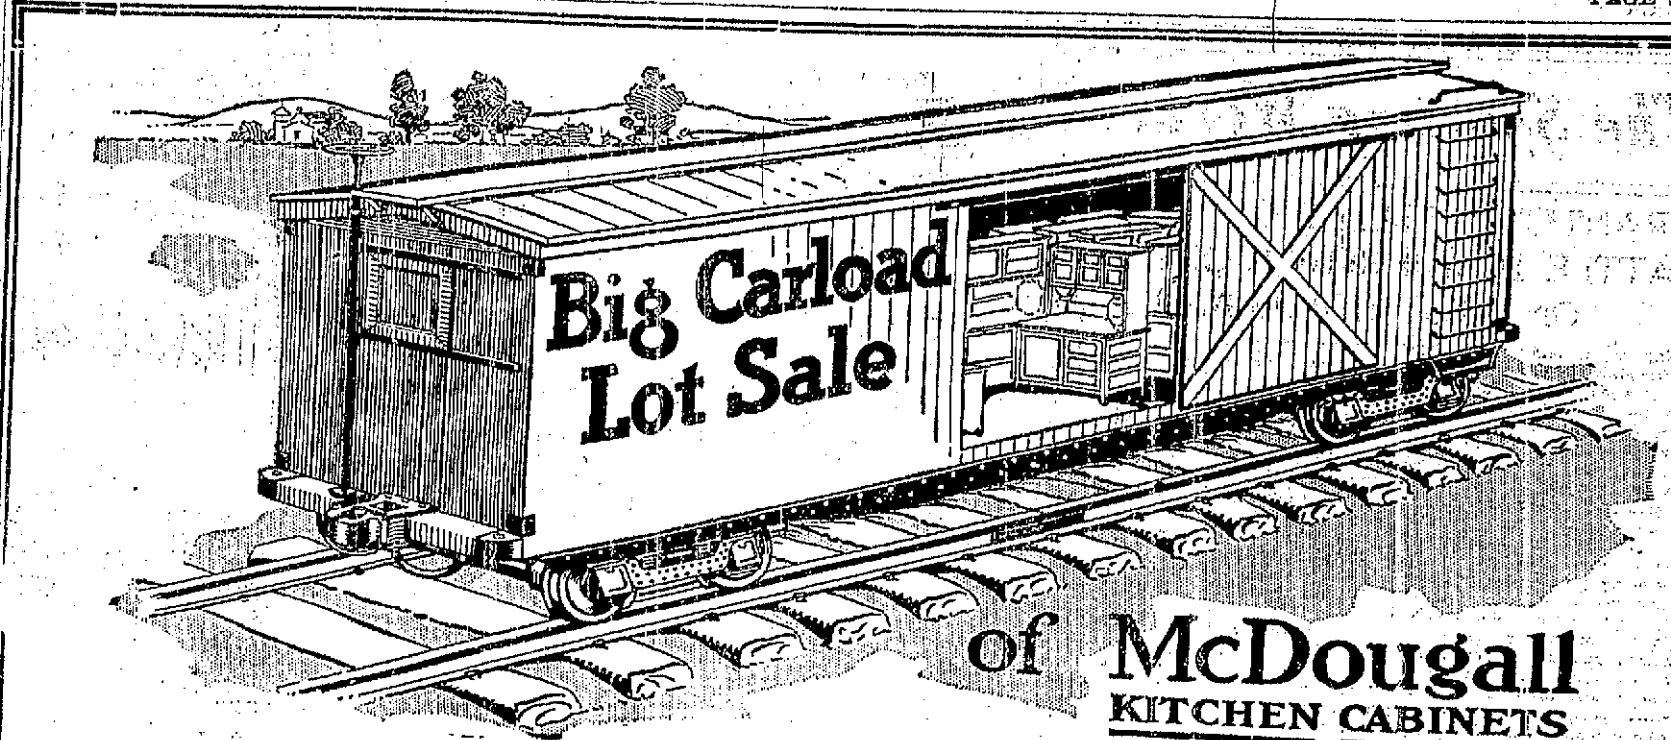

than in No. 1, for example, where the district reaches from the Connelville borough line east of the Southwest railroad to Bruner Run east to the mouth of Indian creek, and back to the North Union township line at the West Braddock, some of the voters having to come more than 10 miles to vote, and that the politicians live and thrive in No. 3. Districts 2, 3 and 6 usually poll the heaviest percentage of their registered voters, while district No. 2 rarely polls 40 per cent. If the voters of No. 1 would come to the polls who could hold her own with the other division, but it is hard to stir up enthusiasm sufficient to get the voters to the polls.

The big fight this year is centering on tax collector, school director and road supervisor, and much uncertainty as to results is apparent. State and anti-state will likely be the issue, and while big claims are made for the state, there is a possibility that the choice candidates who will serve the public interest instead of the bosses. It is the people's opportunity and they ought not to be slow in improving it. Tuesday will tell the story, and the results will be watched with interest.

The Standard Bearers of the Methodist Episcopal church are preparing a program which will be a part of a program in an entertainment to be given by the Women's Foreign Missionary society of that church in the not distant future. The affair promises to be one of the best ever given by that society and that is enough to interest the people. The date and program will be announced later.

A very interesting joint meeting of the King's Herald and Light Bearers of the Methodist Episcopal church was held at the church, Friday evening, at which time boxes were opened and promotions of members were made. A large audience was present to witness the ceremonies and hear the addresses and music, and they enjoyed all exceedingly. Miss Winifred McClaskey was promoted from the Light Bearers to the King's Herald, and Misses Bertha Greaves, Edna Rodkey and Ruth Koffer were promoted from the King's

Heralds to Standard Bearers. Masters William McClaskey, Joseph Baker and Fred Koffer were elected honorary members—a new departure in Junior League work to which all boys between 14 and 18 years are eligible. Appropriate addresses were made by Rev. and Mrs. R. S. Hardin and Mrs. J. J. Korr. A number of lively games were played which added to the interest, especially of the young people.

Excellent work is being done by the Junior League in all its departments. Mrs. Catherine Williams is superintendent, and is ably seconded by Miss Gladys McClaskey and Miss Ada Carroll, assistant superintendents. The league meets every Friday afternoon at 4 o'clock. All children are welcome and will find both instruction and entertainment. At the above meeting handsome small baskets filled with candy were distributed as favors. A fine lunch was served all visitors in the beautifully decorated basement.

No tears were shed over the defeat of the Dunbar baseball team at Mansontown Sunday. When a ball team disregards the moral sentiment of its home town and violates the law of the state by playing Sunday ball it deserves defeat. Notice: To the voters and tax payers of Dunbar township, Mr. William F. Pockstaller is a candidate for road supervisor of your township and there is no question but he would make one of the best supervisors the township has had for some time and that is going wrong, for Dunbar has had some very wise supervisors in the past. HURSDAY afternoon, sharp at the hour of two, the doors swing open. The curtain will be drawn aside, formally unveiling to the public a magnificent edifice whose foundation is laid in the hearts and good will of the entire County. Accept this as your personal invitation and join with us in making this the most notable day in the history of old Fayette.

NO BUSINESS will be transacted on that day; just a day of rejoicing with lots of good, snappy music. Addresses will be made by Mayor Wm. H. Smart, Architect Emil Johnson and Honorable Wooda N. Carr. Of course there will be souvenirs, beautiful ones, and for everybody. THE BIG STAR ATTRACTION is the FREE distribution of over \$2,000 worth of merchandise. Read the list on the left. You don't need to buy a single thing; just come to our store and register your name and address—That's all.

Newest Fall Suits at Tempting Prices

Did you expect to find Fall suits priced \$25?

HERE is the situation. From out the stock of new Fall suits that we've been slowly accumulating in preparation for this event we've selected many models for special selling Opening Days.

We chose these particular models because they were really representative of the season's mode, coming as they do in plain tailored, fur-collared and embroidered effects in duvet de laine—colors navy and brown.

Forgetting entirely the price at which these suits should sell we've marked them \$25. Remember that they are not "seconds" but were bought to take their rightful place in our regular Fall stock.

And these are the garments we will offer you Friday and Saturday at this unheard of price!

No mere words can express the full scope of this opportunity. Surely you'll be in early Friday to take advantage of it!

New Dresses

HERE is another offering that ranks with that of the suits. No doubt you are already familiar with the style tendencies in dresses this Fall—the uneven hems, bright embroideries, Spanish-like fringe and favorite materials of Canton Crepe and Crepe de chine.

This is the very type of dress that we will for you at such a never-to-be-expected price. The colors are navy, black and brown. They come in misses' and ladies' sizes and will be specially priced Opening Days only at:

\$25

New Blouses

VOILE waists have been called popular this Fall—what word will describe them Friday and Saturday when they will be specially priced at \$1. And the new Fall blouses in rich crepe de chine, Georgette and fine French Voile—newly unpacked every one of them—how long can we expect to keep them when they will be priced Opening Days at

\$5

New Shoes

SAYS Madame La Mode "Your shoe shall be a dainty oxford—brogue type if you wish and I advise the addition of one or more pairs of black strap pumps to your wardrobe this season."

Wherefore we feature Opening Days a tan Russian calf, lace-oxford with Goodyear welt and new walking heel—quite the latest thing for Fall—at \$11.

Another brogue-like tan Norwegian calf oxford at \$12.50.

And a young ladies' tan Russia calf creation with punched tip and Goodyear welt, very specially priced Opening Days only at \$8.50.

The FABRICS of FALL

And a list of Main Floor Specials

Silks

"CREEPES are the things for Fall" says a Fashion authority to whose voices must harken every woman who takes her fashions seriously—and what woman does not?

And truly the Silk Shop shows that this is the day of clinging materials—some soft-glowing, like moonlight on the sea, others a bit more emphatic in color.

Here you have the honor roll for Fall. Crepe de chine, crepe, charmeuse, crepe metair, Canton crepe (particularly good this season), duvetyne, imported costume velvets and chiffon-velvets. The colors are black, navy, copper, rust and the turquoise of Italian seas.

Woolens

"ARISE ye woolens who follow in my train" says the Spirit of Fall and trigotines, gabardines, serges, broadcloths, duvetynes, prunellas in blacks, navies and browns are heard to answer.

And a mere glance at them as they stand displayed in all their glory is more than enough to make your fingers fairly itch to begin fashioning the costume you desire.

AN ANNOUNCEMENT

Which marks the dawn of a new era in the retailing history of Connellsville

Fall Opening

Sept. 16th 1921 Sept. 17th

AUTUMN OPENINGS in other years consisted merely of an occasion that welcomed you into the store to observe all that was new in what Fashion had to offer for the season.

But new years bring new conditions—conditions which we, as your servants, must bend every effort to meet.

And therefore Fall Opening Days, this year—over and above the usual display of Fashion that you have learned to expect—will feature Fall merchandise at such low prices that no longer can there be a woman in Connellsville left to fear that "conditions" this year will prevent her from obtaining the new Fall outfit that her heart desires.

And we will not stop at merely cutting prices. On opening days we will give double Gold Bond Stamps (which add a further 8% to the values you receive) with every purchase made, excepting only Edisons and purchases in the market.

We cannot stress the importance of this event too much. The values are more than unusual. Every style trend of the season is represented.

Friday and Saturday should be great days in Connellsville. Surely you will be our guest!

WRIGHT-METZLER CO

New Millinery

CAPRICIOUS, sober, gay—whatever your mood this season you'll find a hat to match it in our millinery showing. And we rather feel it will be gay for certainly a hat at these Opening Day prices is more than many a woman dared to hope for.

At \$4.95

are featured new Fall turbans and "off the face" models of Panne, Lyons velvet and duvetyne, in all the favored autumn colors—tangerine, paradise, pheasant and brown.

At \$7.95

are featured creations of velvetyne, duvetyne, and Hatter's plush, resplendent in autumnal hues and trimmings of silk ribbon, glycerined ostrich and glittering metal effects.

These hats are the fruit of long research in the wide markets of the world and represent the very latest that Fashion has to offer. Priced as they are they are unheard of values.

Specials

56-in. Navy serge (all wool) \$3.50 value, \$2.85 per yd.

90-in. bleached Union linen sheeting, \$1.50 value, \$1.00 yd.

63-in. heavy unbleached muslin, a very unusual offering, 32c yd.

All linen Scotch crash, bleached, heavy quality, value 38c, yd., 30c.

New Accessories

THEY mean so much to one's appearance—the trifles without which a costume simply can't be perfect.

A hand-tooled hand-bag, for instance, is essential to complete your outfit for Fall. Handkerchiefs are necessary—as are gloves, underwear, hosiery and the new neckwear with its dainty vestees and collar and cuff sets.

How fortunate to find that even in these departments there are special such as these!

Women's full fashioned silk hose in black, Russia cuff and cordovan. All silk with lisle top and double heels and toes. Were \$2.50. **\$2.00**

Imported women's handkerchiefs with white and colored embroidered corners, special at **19c ea.**

Mavis 50c face powder, in all shades, tax included **42c**

Friday—Special sugar cured hams of excellent quality, 10 to 12 lbs. per ham **27c per lb.**

Saturday—Very first grade steer chuck roast, a most unusual offering at **2 lbs. for 25c**

Bakery

IF cakes and cookies and rolls and bread can be made more delicious than we make them now (a thing which we doubt) then Friday and Saturday will be the days. And though no pie, of course, will ever be as good again as those that "mother used to make"—those coconut cream pies of ours are coming mighty close to it. Try one Opening Days.

Hats

FORGIVE us for feeling proud of them—but our showing of hats this Fall is there.

And we're anxious that you see them before you tie yourself up for the season.

The famous Dunlap, Borsalino and Mallory makes are represented—than which no better hats are made.

Prices range from \$4 to \$10—with especially attractive showings at \$5, \$6.50 and \$6.

First Special

A lot of about 75 men's and young men's suits—new Fall arrivals among them—in the single and double breasted models called for by the season. Blues, browns and mixtures mostly. Today's price \$35, \$37.50, \$40. Special for Opening Days only at

\$29.50
